

EACDG Elveden Event

22-23 May 2010

18 May 2010

Dear Competitor,

Welcome to the second two-day event at Elveden Estate, by kind permission of the Earl and Countess of Iveagh.

This letter gives you the latest details of the event and provisional times: please pick up your paperwork from the Secretary's tent as soon as you arrive at the event. Check your times and number – and your dressage test. If you have any queries, please tell Mike Watts.

Please read the noticeboard regularly – this is where we post any changes. If there are several last-minute changes or withdrawals, your time could move by 20 minutes or more (although we always try to minimise changes that are within our control...)

Pre-novice and novice classes: presentation judging is 30 minutes before your dressage time and the position is marked on the map. Please be early for this, which should take no more than ten minutes.

After your dressage test please go immediately to the cones course because the stewards will be expecting you. Make sure you drive dressage at the correct width!

Please remember to halt and salute the cones judging party when you enter the arena. Wait for the bell (or other signal) before starting. You can ask for your time and driving faults when you have finished. Do not leave the area until your carriage has been measured and found to be OK.

We want everyone to enjoy their Elveden Experience: please tell your friends if you have a good time and tell us if there's anything we can improve?

Thank you for coming, from your EACDG Committee.

General housekeeping

Day catering: there will be a catering trailer in the stable field serving full English breakfasts from 8 am on Saturday, and burgers, snacks and drinks until about 5 pm. We were not able to book a caterer for Sunday however – sorry. Please use his services so he'll come again! Elveden restaurant and shop are open until 4pm on Sunday – on the A11.

Trade stands – and prizes: Deano Smith of CRS Carriages and Frances and Ian Collings of Jack-in-a-box have everything from rubber mats to harness, carriages, bits and bobs, elastic bands, shampoo plus lots of good advice. Deano is kindly offering a prize for the best dressage result in pre-novice or novice classes: Jack-in-a-box are giving a prize to each class winner. Northernplan Photographers are running the King/Queen of the Club Cones competition.

Exercising: we will mark exercise area on maps on the noticeboard – anywhere in the big fields around arena2 and the stable field but please keeping off the marked hay field! If you need a longer drive, please follow section A (special dispensation).

Practice dressage arenas are marked: please do not practice in the arenas for the competition.

Rubbish: take all your domestic rubbish home with you. Bin bags are available from the Secretary.

Housekeeping, continued...

Horse waste: please use the muck heaps. The sun will shine if we keep the stable field tidy and clear away every last pile from our horses and ponies – yes, even the last one – thank you.

Dogs: there are sheep and game about – anyone who lets their dog off the lead will be shot. As will anyone taking a dog in an obstacle, in the dressage or cones arenas...

Hats and helmets: we like you just the way you are. Please stay safe and always wear a helmet when you are riding a horse, quad or motorbike and when exercising your turnout. Kindly set an example – the more people do this, the better your caring committee members sleep at night.

IMPORTANT: Please check your results as soon as they are posted after each phase. You have 30 minutes to make any queries to the TD (not the scorer who's furiously adding up)..
