

JUNIOR CAMP 2010 – ASHFIELDS CARRIAGE DRIVING CENTRE

Please find attached your allocation to a trainer and a schedule for the first days training on Tuesday 10th August 2010.

Your schedules for the two following days will be put up in the club house by your trainer so make sure you look for them and arrive in time for your lessons.

During the day when you are not driving there will be 'other' activities so again look on the schedules which will be posted in the clubhouse each day. It includes visits to Baileys Horsefeeds on Wednesday. Anyone who has a car available to help ferry children to Baileys please contact Zoe.

Electric fencing is allowed but please keep it to an area of not more than 4mtrs x 4 mtrs and ensure all droppings are removed.

Please ensure that you leave the site clean and if you are using a stable that you leave the yard clean and tidy. Stables costs are to be paid direct to Zoe.

There will be muck heaps designated for your muck and please take your domestic rubbish home with you.

Your meals will be in the clubhouse at the times shown on your schedule.

All trainees must provide proof of Third Party Liability Insurance or BHDТА or EACDG membership details and any information regarding medical conditions or needs.

Please complete the attached form with this information and hand it in when you arrive. Without the above information you may be excluded.

We hope you have a great time.
