This form is to ensure that competitors in BHDТА-affiliated club competitions who wish to progress from singles to multiples classes and from driving a pair or tandem to driving a four-in-hand have been observed in all phases of three BHDТА-affiliated club competitions and are, in the opinion of the signatories, suitably competent to be considered for progression to the next class.

The competitor must:

- compete in the class for which he or she is already qualified or accepted by the EACDG.
- gain a dressage score below 80 penalties.
- complete all three phases of each event without retiring or being eliminated.
- have a final score no greater than 100 penalties more than the score of the winner of the class or, in the case of a low entry, no more than 100 penalties greater than the score of the winner of the open single class.

The form should not be signed when the competitor competes *hors concours* (outside the competition).

At least two of the qualifying events must have a three-section marathon.

At least one of the qualifying events must be held by the EACDG.

Results from the qualifying events must be attached to this form.

Competitors wishing to progress to National Novice Qualifier classes must use the BHDТА Qualification Certificate, available from the BHDТА or from its website.

This form must be presented to the Event Secretary before the beginning of the event and it cannot be signed retrospectively.

Please leave it in a sae.
